All correspondence and discussions

Kimberly Access a major UK powered access rental company is embarking on a strategy to create a powered access rental group under a holding company The Alliance Access Group Ltd. This strategy would revolve around building a group of autonomous powered access rental businesses each keeping their own identity/brand but with the benefit of being part of a major well funded group. It would be preferable if existing Management wished to remain in place but that is not essential in the correct circumstances.

Backed by a major institution the size of transaction is not an issue as funding is available.

If major shareholders within the sector would like to have a totally confidential and exploratory discussion call Ray Ledger, Chairman, Kimberly Access Ltd on private mobile 07775 898572 or email ray@ledger7.freeserve.co.uk
