cranes & access

FOR USERS & BUYERS OF LIFTING EQUIPMENT

Cranes & Access reaches over six times as many UK/Irish buyers of aerial lifts and lifting equipment than any other crane or access magazine, along with an exceptionally strong international readership, with over 15,000 lifting related professionals around the world reading either the printed or online editions of the magazine.

Given the wide global readership you will be surprised at how cost effective it can be as a medium to promote your products or services.

Active Access Limited is a leading independently owned provider of Powered Access Equipment across Scotland. As well as our own extensive hire fleet, we also maintain a great number of end user owned access machines. Due to measured market recovery and an imminent inward investment within our hire fleet and service offering, the following employment opportunities have arisen:-

Mobile Service Engineer/Fitter

(Excellent Package + Bonus) Experience within the heavy plant and machinery sector and a valid CAP Card would be preferred, however not essential. Nonetheless, knowledge of Hydraulic Systems, Diesel Engines and Electrics is required. With a strong element of customer interaction, the successful candidate will be articulate and of a polite and personable disposition. They will possess the ability to work comfortably under tight time constraints and also under their own initiative.

The position is based within our centrally located Head Office in Hamilton, although some travel will be required. This represents a fantastic opportunity to join one of the UK's fastest growing regional access companies and offers the successful candidate tremendous career opportunities. Please send your CV with a covering letter to the General Manager, Mr. Ronny Traynor at the address below or by email ronny.traynor@activeaccess.co.uk

- IPAF CAP Card
- Self Motivated
- Customer Focused
- Drivers Licence

Position Wanted

Aerial Work Platform Sales

Seeking sales position in aerial work platform industry in western U.S.A. I have 28 years experience in the AWP industry at District and Regional management levels. I have long standing proven relationships with the owner/operators of rental organizations from the small single location general line organization to the regional and national AWP specialists. Former employers in the industry were **Grove Manlift and Snorkel International**. Highest volume producer at both companies at profitable levels. I understand and know how to execute manufacturer business models whether they be a traditional form of distribution or direct into the rental channel.

Timbermat Ltd

Guarantee - Quality ... Price ... Delivery

sales@timbermat.co.uk

Timbermat Limited is proud to announce their new supply partnership with one of Europe's largest distributors of hardwood timber. Established for over 70 years and operating a truly global network, our new agreement ensures continuity of our product portfolio for the long term.

This new venture has enabled Timbermat to secure production solely for our own distribution across the UK & Europe. Our new strategy will ensure we have access to a huge stockholding of all sizes, ready to ship at a moment's notice.

To continue our FSC sustainability commitments we are always actively sourcing new timbers suitable for use within our market place, but currently offer European and American Oak hardwoods, and Tropical timbers such as Ekki, Wamera, Dabema, and Mora. All of which have proven performance and long life durability.

Another good reason to join the CPA...

Find out a
whole lot more,
call us on:
020 7796 3366,
or visit our website:
www.cpa.uk.net

Problems occur at the least expected times, but when they do, support and specialist knowledge from someone on your side is invaluable. The CPA specialists can help with many issues, including training, safety and legal matters.

If dealings with a government department or an industry authority are not going smoothly, CPA can advise on what to do, and can turn to their extensive range of contacts to find the right person to speak to.

This means your problem gets solved quickly and painlessly wherever possible - allowing you to get back to your business.

GOING UP IN THE WORLD

**A history of Simon Engineering, the
development of the powered access
industry and a lifetime as an engineer,
by Denis Ashworth**

Ashworth was a keen engineer and from an early age found himself in at the very start of the modern powered access industry.

His book is an unusual combination of autobiography and history of Simon Engineering Dudley, a pioneer of the powered access industry and at one time, the world's largest manufacturer of aerial lifts.

The coffee table sized book, is highly readable and includes around 150 photographs and drawings from the very beginning of the industry. It is a 'must read' for anyone who is interested in powered access, the hydraulic equipment industry or in comparing modern day engineering challenges with those of an entirely different era.

The book is available direct from the publishers at £19.50, plus £4.50 postage and packing.

- Continental Europe €23 plus €6.50 postage & packing
- Rest of world \$31 plus \$10 shipping

Ordering Information

Forename: _____ Surname: _____

Address: _____

Post Code: _____

Email: _____ Telephone: _____

Please make all cheques payable to 'The Vertikal Press Ltd'

I enclose a cheque for £24 (£19.50 + £4.50 p&p)

I enclose a cheque for €29.50 (€23 + €6.50 p&p)

I enclose a cheque for \$41 (\$31 + \$10 p&p)

Please invoice me: _____

Please debit my card:

Card No: _____ Issue No: _____

Issue Date: _____ Expiry Date: _____ 3 Digit Security Code: _____

Signature: _____ Date: _____

Please send completed order form to: The Vertikal Press, Box 699B Brackley, NN13 5WY, UK.
Alternatively, fax it through on +44(0)1295 768223 or scan & email info@vertikal.net

SJ16 VERTICAL MAST LIFT

A compact footprint, superior maneuverability and zero inside turning radius.

ANSI model shown.

Skyjack's self propelled vertical mast lift features a compact footprint and superior maneuverability. The SJ 16 has a working height of 6,75 m. When operating in tight workspaces, a high degree steer angle allows superior functionality and flexibility by offering zero inside turning radius. The SJ 16 features a 0,41 m traversing platform, providing increased access and the ability to reach over potential obstacles. A unique slide away platform provides easy access to components, when raised or in the stowed position.

SKYJACK
