## Mea Culpa

In our last issue, a recruitment advert for an Area Sales Manager for Cargotec went horribly wrong when we transferred the artwork to a resized print PDF. Sadly none of us at Cranes & Access spotted the error, and it appeared in print.

We greatly regret that the advert appeared as it did, sincerely apologise for the error and the distress that it caused, and would like to point out that this should in no way reflect badly on Cargotec – which in fact had no control over what was entirely our mistake.
