

# WORLD'S TALLEST

## SELF-PROPELLED BOOM LIFT

### THE NEW GENIE® SX™-180

Productive, efficient and easy to transport

#### Reach New Heights:

- 57 m (186 ft) working height and 24.4 m (80 ft) horizontal reach with 3.05 m (10 ft) rotating jib

#### Precise Positioning:

- Standard 2.44 m (8 ft) self-leveling platform with 340 kg (750 lb) capacity
- 160° hydraulic platform rotation

#### Stable and Transportable:

- Newly designed X-chassis extends and retracts to provide stability on the job and narrow profile for transport
- Drive at full height for jobsite efficiency

[www.vertikal.net](http://www.vertikal.net)

Each year our guide grows and any omissions are picked up, hopefully making it an even more useful document. This year has seen quite a few changes and additions as new manufacturers come on the scene and others move. As with any listing like this it is always going to be a work in progress, so please do let us know what we can do to correct or improve it.

## **SJ63AJ** ARTICULATING BOOM

21.38 m working height and a horizontal reach of 12.19 m

Combining a working height of 21.38 m, a horizontal reach of 12.19 m, and an up and over clearance of 8.38 m, Skyjack's SJ63 AJ is designed for versatility. Superior positive traction and terrainability is provided by the axle based 4WD used in many of Skyjack's product designs, which accounts for a proven low maintenance, rugged and reliable drive train. 360 degree turret rotation and zero tail swing allow for flexible operation in tight locations.

The 63AJ features a unique open center knuckle riser design for improved visibility, compact dimensions, and below grade reach capabilities. Dual lifting cylinders provide superior comfort and stability, while also maintaining true vertical rise which prevents drifting forward or backwards.

**SKYJACK**

For information call +44-1691-676235 or visit us online at [www.skyjack.com](http://www.skyjack.com)

**UKCG** LORRY LOADER OPERATOR TRAINING  
Recognised by the UKCG

Courses also available:

- Slinger / Signaller
- Crane Supervisor
- Appointed Person
- Thorough Examiner
- Instructor
- Manager - PUWER 9.2
