cranes & access

FOR USERS & BUYERS OF LIFTING EQUIPMENT

Cranes & Access reaches over six times as many UK/Irish buyers of aerial lifts and lifting equipment than any other crane or access magazine, along with an exceptionally strong international readership, with over 15,000 lifting related professionals around the world reading either the printed or online editions of the magazine.

Given the wide global readership you will be surprised at how cost effective it can be as a medium to promote your products or services.

Full-time Engineer Required!

The UK's leading supplier of spider access platforms is seeking a full time engineer to support our continued expansion.

Due to our continued growth we are currently looking for a full-time engineer to work from our Burnley depot as part of a close-knit team maintaining our specialist spider lifts. The job is based in Burnley and applicants must be prepared to travel day to day.

The engineer will carry out fitting work, planned preventative maintenance and breakdown repairs on access platforms both in the depot and out in the field. This will include mechanical fitting work, maintenance, fault finding, servicing and installation. Competitive rates of pay related to experience, along with a company van and phone.

Candidates should have a minimum of two years experience within powered access hire, good communication skills, ability to work under pressure, a full, clean driving licence and a CAP card although this is not essential.

Applications in writing only, with your CV, to Lucy Ashburner, Higher Access, Unit 8 Bridgewater Close, Network 65 Business Park, Burnley, BB11 5TE.
