cranes & access

FOR USERS & BUYERS OF LIFTING EQUIPMENT

Cranes & Access reaches over six times as many UK/Irish buyers of aerial lifts and lifting equipment than any other crane or access magazine, along with an exceptionally strong international readership, with over 15,000 lifting related professionals around the world reading either the printed or online editions of the magazine.

Given the wide global readership you will be surprised at how cost effective it can be as a medium to promote your products or services.

Simply Reliable

By keeping design simple and using proven technology, Skyjack products offer the rental industry's best life cycle value through low cost of ownership, ease of service and maintenance while retaining high residual values.

Skyjack products feature:

- Standard color coded and hard wired relay based control systems which are easy to trouble shoot and repair using commonly available components
- Common components across model groups making replacing or repairing components easy and cost effective
- Replaceable modular platform railings and repairable fiberglass cowlings.
- No complicated and expensive computers or can-bus systems
- Robust steel construction
