FOR USERS & BUYERS OF LIFTING EQUIPMENT

Cranes & Access reaches over six times as many UK/Irish buyers of aerial lifts and lifting equipment than any other crane or access magazine, along with an exceptionally strong international readership, with over 15,000 lifting related professionals around the world reading either the printed or online editions of the magazine.

Given the wide global readership you will be surprised at how cost effective it can be as a medium to promote your products or services.

Powered Access Fitter/ Service Engineer

UK Powered Access Ltd, is a leading independent specialist in the rental of powered access equipment with an extensive fleet comprising of electric scissor lifts to 85ft diesel booms. These are supplied to a wide and varied customer base across the East Midlands. Part of UK Tool Hire Ltd it is seen considerable growth and success and to continue with its expansion we currently require a Powered Access fitter.

The successful applicant will ideally have experience within the powered access industry, a knowledge of hydraulic systems, electrical and diesel engines and a competency in fault finding. Applicants with experience with plant, cranes, forktrucks etc. will be also considered.

Responsibilities:-

Routine service and maintenance of access machines. To be able to carry out Pre-delivery Inspections and keep accurate records. Carry out major repairs and refurbishments as and when required. Estimate and advise accordingly damage/repair costs.

Skills Required:-

Experience within the powered access industry with Genie, JLG, Manitou etc CAP Qualification would be beneficial. Have pride in workmanship to ensure breakdowns are minimal. Must be selfmotivated and work on own initiative. In return for this, the successful applicant will be rewarded with:-

- An attractive salary dependent on experience.
- Performance linked incentives.
- 28 days holiday incl statutory.
- Company pension.
- Use of company van.

The successful applicant will be based at Nottingham and will receive ongoing training to assist with their career progression. This is an exciting opportunity to join a rapidly growing, energetic and **# UN TOOL HIRE LTD** enthusiastic group of people.

Please forward your CV to: Lisa.Wilkinson@uktool.co.uk

LTC Powered Access is currently recruiting

Powered Access Engineer

Our depot based at Richmond Walk Plymouth, Devon is looking to recruit an experienced Powered Access Engineer to service, repair, attend breakdowns and to PDI our fleet of machines.

Powered Access HGV Driver

Due to expansion our Cornwall depot based in St Day Redruth are looking to recruit an experienced HGV Driver who holds a category C (class 2) licence to delivery and collect our fleet of Powered Access machines.

All candidates for both positions must be suitably qualified, flexible, capable of working within a team or on their own and hold a full driving licence.

Both positions are full-time with wages being negotiable depending on experience.

Please apply with a full CV to; Gail Smith LTC Group87 Ltd Wixenford Depot Colesdown Hill Plymouth PL9 8AA Email:gail.smith@ltcgroup87.co.uk

JUNIOR SALES MANAGER REQUIRED

CTE UK Ltd, the UK Dealership of the leading Italian manufacturer CTEspa in Italy, are looking for a Junior Sales Manager to be based from our premises in Enderby, Leicestershire, and who will be instrumental in the future growth of the Company.

CTE manufacture a large range of truck and tracked access platforms, and ideally are looking for a self motivated person who will report directly to the Managing Director at CTE UK Ltd, and who will assist the company to expand its current growth areas and be responsible for new business and the expansion of regional portfolios.

The successful applicant must be able to:-

- . Manage all Customers and Sites Within an Agreed Regional Territory
- Achieve & Promote Portfolio Pipeline and Revenue Growth
- · Retain Existing Customer Base Within the Portfolio, through Account Management
- Redevelop Dormant Accounts
- . Promote and Sell All Aspects of the Company to include Capital Sales, Training, Service & Maintenance
- Carry out Demonstrations of the CTE Products to Customers

The successful applicant must be organised, self motivated and target driven. Have strong communication skills, both verbal and written and be able to establish good relationships with new and existing customers. We are also looking for a proactive person, with high standards and to be able to work individually or as part of a small team.

We offer a competitive salary based on experience, 25 days holiday plus Bank Holidays and a company car will be provided for business and private use. This is a great opportunity to join a growing and market leading company. If you feel you have the skills required to succeed in this role we would like to hear from you.

To apply please send your CV by e:mail or post to Graeme Hill, Managing Director at CTE UK Ltd. ghill@cte-uk.co.uk

Service Engineer

London/South East

Due to continued expansion we have two positions available for experienced Service Engineers covering London and the south east area.

The positions will involve a variety of different engineering tasks and include the repair of workshop-based access platforms and site visits. Candidates should be self-motivated, competent at fault finding and qualified to NVQ Level 2/3 - CAP certification would be advantageous.

- Company Van
- Competitive Salary

OUTRIGGER PADS

The revolutionary new charger

The GantiCharger is made to revive, charge, check and maintain batteries.

- GantiCharger is designed to reduce the frequency and cost associated with battery replacement.
- GantiCharger is made to both save energy and significantly prolong battery life with reduced maintenance cost.
- · GantiCharger prevents overheating the common cause of battery damage.

For UK sales: 07807 348584 For Dealer enquiries: +47 93405970 www.ganticharger.com

MAKE IT EFFECTIVE. MAKE IT DURABLE, GIVE IT VALUE. ILG designed its RS series of scissor lifts around three basic principles. The RS scissor lifts provide the reach, reliability and serviceability job sites demand, with a value that fits nearly any budget. Available in two models, the 6RS and the 10RS, JLG's RS scissor lifts prove that cost-effective design should never sacrifice performance.
