

# WORKING TOGETHER TO KEEP BUSINESSES STRONG

In these difficult times it is more important than ever to communicate with your customers, suppliers, remote workers and others and maintain confidence in your company and brand as well as highlighting plans and strategies.

This may appear challenging when the natural instinct is to 'hunker down' cut everything back and just get through the crisis, often sacrificing long built up reputations. But there are alternatives.

By working together in a constructive manner and understanding each other's concerns and challenges, companies and the industry as a whole can stay strong and in a far better position to bounce back when all this has passed, as it most certainly will.

The Vertikal Press will be here all through the crisis, continually reporting on the industry we love and breathe, continuing to publish the magazines and providing a daily news service via the Vertikal.net web portal. We are also open to all manner of ideas and ways in which we can help support you - our readers and customers.

In times of crisis, creativity, openness and maintaining your presence in the market wins the day. This is when a company's true colours, depth and quality shine through - and the weak are exposed. So, keep in touch. Keep sending your news and continue to work closely with suppliers and partners as well as your customers - they are all important.

We will work with you to make sure you can maintain your profile. If you need help in any area - from finding ways to continue your advertising programmes, to assistance with editorial/news items - we are here to help.

The Vertikal Team, Leigh, Nicole, Keng, Pam, Clare, Mark, Rüdiger, Lee, Alex, Ed, Poppy and our fantastic contractors - Brett, Roland, Anja, Rob and Saul.
