

IN THE NEXT ISSUE OF **C&a**

Place your products in front of 17,000 crane, telehandler and access buyers & users who will be reading the February/March issue of **C&a**...

The issue will include features on:

Van and small truck mounted platforms

The smaller truck mounted market is growing fast and changing, we take a look at some of the latest developments. If you have any news, or some good photographs please send them over.

Self-erecting mobile tower cranes

The adoption of self-erecting mobile tower cranes is mostly limited to Europe, but this is starting to change, at the same time new technology and power sources are making them ever more attractive. We take a look at the latest developments. Have you got news to tell?

Battery developments

In the last 12 months interest in battery electric power for construction equipment has rocketed, while lithium-based battery technology is becoming a practical and 'game changing' alternative for ever smaller battery powered machines.

Vertikal Days preview

We take our first look at what to expect from Vertikal Days in mid May - kicking off the lifting equipment calendar the event will be the main platform for new product launches. Expect to see a great new skyline of cranes, aerial work platforms and telehandlers from all the major manufacturers, plus component, software, training and other ancillary companies.

Send any information, news, photographs or ideas on these subjects to editor@vertikal.net

Every issue of **C&A** is also packed with our **regular columns** and **news** plus **reader's letters**, **books**, **models**, **training**, along with the latest news from the **CPA**, **ALLMI**, **IPAF** and **PASMA**.

Ask us about our **Special Advertising Packages** advertising@vertikal.net or call us on UK +44(0)8448 155900 or mobile +44(0)7989 970862

Hire Controller/Manager

Currently based in Nottinghamshire

I am 29 years old and have been out of the industry for two and a bit years. I would love to get back in the hot seat and carry on building my career. I have worked for a few hire companies over the past 10 years ranging from powered access to some general plant hire experience.

Send E-mail calalou2@msn.com

Hire Desk Manager Looking For Opportunities

I am looking for a new post, running a Hire Desk or a role in sales, account management or business development.

I have five years experience in the powered access industry leading a multi million pound account from the hire desk, skills in negotiation, people management, influencing and motivating teams to drive up sales figures.

Email: Ryanledington@gmail.com

Hire Desk Controller

We have an exciting opportunity for a Hire Desk Controller to join an established and growing Powered Access Hire Company based in Coalville, Leicestershire.

The ideal candidate will come from the powered access hire industry, or Plant hire Industry, but for the right person training will be provided

Responsibilities of the hire controller

- Dealing with customer queries and orders in a professional manner
- Maintain and exceed depot sales targets on a day to day basis
- General administration duties using Word, Excel, Power-point
- Develop a professional relationship with internal and external clients
- Convert enquiries into orders

Salary will depend on experience
22 days holiday + bank holidays

Please apply by sending your CV to dchambers@poweredaccessservices.co.uk

NO AGENCIES PLEASE

JOIN OUR WINNING TEAM

Skyjack, Inc., a division of Linamar, is hiring a Parts Administrator to work within the Oswestry, Shropshire area.

The Parts Administrator will be the first point of contact for customers, so must deliver an excellent level of customer service. Administrative work will include data input using Excel and IFS and general administrative tasks.

MINIMUM REQUIREMENTS

- Relevant qualification in business administration, or equivalent experience is desirable.
- Experience of using email and standard software packages.
- Good standard of English and Mathematics.

Performance Expectations:

- First point of contact for customers
- Deliver an excellent standards of customer service.
- Responsible for providing administration support to the European parts business
- Data input, using Excel and IFS, plus general administrative tasks including filing.
- As part of a team meet service delivery targets and Key Performance Indicators (KPI's).
- Foster professional working relationships between the Workshop, Service, Stores, Sales and Logistics areas of the business.
- Improve department operating efficiencies.
- Ensure compliance with all legislative requirements.
- Perform other duties/projects as assigned.

INTERESTED?

To apply, please email a C.V. to: ukrecruitment@skyjackeurope.co.uk
For more information about Skyjack visit www.skyjack.com

JOIN OUR WINNING TEAM

Skyjack, Inc., a division of Linamar, is hiring a Workshop Engineer to work within the Oswestry, Shropshire area.

Conduct Pre-Delivery Inspections, examinations, diagnosis and troubleshooting as well as small and major repairs on a range of equipment. Provide general safety and technical training / support and guidance for new and workshop employees.

MINIMUM REQUIREMENTS

- Qualification in mechanical or manufacturing engineering
- Good understanding of hydraulics and electrical systems
- MEWP, PAL, FLT certification, or any other certification is preferred, however training is provided

Performance Expectations:

- Inspection of all major components on a variety of equipment replacing parts as required
- Ensure that all necessary paperwork is complete and accurate
- Diagnosis, troubleshooting and repairs of mechanical and electrical systems, both in the Workshop in Oswestry and at customer premises.
- Carry out warranty repairs as required.
- Provide technical support to Customers and workshop personnel along with guidance and training where required.
- Creation of Risk Assessments, SOP's and maintenance programs.
- Ensure compliance with all legislative requirements in the facility's geographic location.
- Other duties as assigned.

INTERESTED?

To apply, please email a C.V. to: ukrecruitment@skyjackeurope.co.uk

Having trouble with Grove or Krupp EKS units?

The EKS Repair Centre can provide rapid solutions to your problem.

We specialise in stocking and repairing all types of **Grove** and **Krupp** EKS units.

We can offer you four options to have your crane working quickly and safely again:

1. You send us the EKS unit (via courier/secure delivery preferably insured), We will repair the unit for you within seven working days and send it back to you.
2. We can immediately send you a refurbished unit - if is available from stock - you can install it as get back to work with the crane. You can decide whether to send your old EKS back to us or not. If you do we will inspect it and refund you the value of the old unit.
3. We can send you a brand new unit, if they are still available and in stock, you can then choose whether to send the old EKS back to us or not, if you do we will inspect it and refund you the value of the old unit.
4. We can also offer you new or used E-proms (programmed) for all models of **Krupp** and **Grove** cranes.
